COMPANY PROFILE / PARTNERSHIPS

# Faith Integrated Psychiatry

**Joy Kwakuyi, DNP, PMHNP-BC**

Founder and Director • Tucson, Arizona

Board-certified psychiatric mental health nurse practitioner, author, and ordained Christian minister.

WHAT WE DO

## Whole-person mental health care

We bring psychiatric care, emotional wellness, and optional faith-based support together so people can choose care that fits their needs and values.

01

### Psychiatric care

Psychiatric evaluations, medication management, and psychotherapy.

02

### Counseling & coaching

Optional Christian counseling and wellness coaching.

03

### Education & speaking

Mental health talks and potential workshops with Dr. Joy.

WAYS TO COLLABORATE

| | |
|---|---|
| **Clinics & counseling practices** | Discuss referral fit and care coordination. |
| **Churches & ministries** | Explore talks and resources for your congregation. |
| **Community organizations** | Discuss a wellness session or speaking engagement. |
